

Book club

Merryl Tanner. Location and times will be decided following the first meeting of people who register their interest.

The library already runs two book clubs (one is monthly in the evening, 6-7 pm, first Tuesday, the other is Wed 10 am for an hour).

So if you would like to register for U3A to run a daytime book club, Merryl is happy to act as facilitator, and the group can decide the what, where and when at the first meeting (which will be notified by email to those who register).
