

Excursions.

Barrie Baker. Ideas so far are:

Flagstaff Hill. A customised tour including Devonshire tea and activities e.g. bonnet making, rope splicing

Spring Creek Megafauna expedition...a visit to the local significant site of megafauna fossils as a follow up to last years talk on megafauna and the controversy surrounding various theories regarding their extinction

Cheese world and tour of the factory at Allansford. Now re-opened with maybe a tasting platter of various types of cheeses with expert commentary
